

## DIGESTIVE ENZYME BLEND PRODUCT INFORMATION

### HEALTH CLAIMS\*

Based on FSANZ pre-approved claims;

### HEALTH RELATED

- ✓ May assist in the digestion of lactose
- ✓ Full spectrum enzyme blend to aid in gastrointestinal upset caused by heavy diet
- ✓ Vegan friendly

### FEATURES

- ✓ 5 key essential enzymes
- ✓ Great for various food applications
- ✓ Nothing artificial or synthetic
- ✓ Free From GMO, dairy, soy, additives

### PRODUCT CATEGORIES

- ✓ Protein powders
- ✓ Fibre formulas
- ✓ Digestion

The Digestive Enzyme Blend was created by Phyto-Therapy due to the fact that we are one of Australia's largest suppliers of organic plant-based proteins and being mindful that some consumers lack essential enzymes when it comes to efficient digestibility. The five Digestive Enzymes we chose to create our blend are: Protease, Amylase, Lipase, Lactase and Cellulase, as they each have their own specific abilities to breakdown various types of macro nutrients, including starch, fat, protein and dietary fibre.

Our Digestive Enzyme Blend will work in favour by assisting in the breakdown of these compounds to aid in the reduction of gastrointestinal upsets.

### SPECIFICATIONS

#### Chemical

Moisture (%)	≤ 8.0
--------------	-------

#### Microbiological

Total Plate Count	<10,000 cfu/g
Yeast & Mould	≤ 1,000 cfu/g
<i>Escherichia coli</i>	<10 cfu/g

### OTHER CHARACTERISTICS

<b>Taste</b>	Neutral
--------------	---------

<b>Colour</b>	Cream to brown colour
---------------	-----------------------

<b>Certification</b>	Kosher
----------------------	--------

<b>Allergens</b>	Free from GMO, soy, additives
------------------	-------------------------------

<b>Safety</b>	Food Grade, suitable for human consumption
---------------	--------------------------------------------

<b>Shelf Life</b>	24 months, store in original sealed package; Avoid direct contact with light and heat
-------------------	---------------------------------------------------------------------------------------

<b>Packaging</b>	25kg Bulk Bags
------------------	----------------

### TYPICAL DATA

#### Labelling

Digestive enzyme blend (Protease, Amylase, Lipase, Cellulase, Lactase)

#### Nutritional Labelling per 100g (Typical Composition)

<b>Protease</b>	≥ 90,000 HUT/g
<b>Amylase</b>	≥ 45,000 DU/g
<b>Cellulase</b>	≥ 750 CU/g
<b>Lactase</b>	≥ 500 Lac U/g
<b>Lipase</b>	≥ 400 LU/g

\* the health claims available for this ingredient are dose related. If you are unsure, please seek regulatory advice to ensure compliance
