

### HEALTH RELATED

- Has been shown to stabilise blood sugar levels in diabetics
- Plant-based
- Natural source of Antioxidant
- Anti-inflammatory
- Natural fibre

### FEATURES

- Certified Organic
- Natural flavour
- Low Allergen
- Vegan friendly
- Authentication tested by Southern Cross University Plant Centre

### PRODUCT CATEGORIES

- Immune Health
- Baked goods
- Protein beverages

**Organic Ceylon Cinnamon Powder** is an ACO ingredient that is also known as True Verum, which has a mild and delicately sweet flavour compared to its sister species Cassia, which originated in China and is found commonly in supermarkets. Ceylon Cinnamon is considered to be of high quality and is highly prized amongst the culinary and medicinal world. *Cinnamomum zeylanicum* has had traditional and modern use in societies for blood sugar control in diabetics as well as being a delicious natural flavour for food and beverage products.
