Organic Ceylon Cinnamon Powder is an ACO ingredient that is sourced from organically cultivated farms in Sri Lanka. Ceylon Cinnamon also known as True Verum, has a mild and delicately sweet flavour compared to its sister species Cassia which originated in China and is found commonly in supermarkets. Ceylon Cinnamon is considered to be of high quality and is highly prized amongst the culinary and medicinal world. *Cinnamomum verum* has had traditional and modern use in societies for blood sugar control in diabetics as well as being a delicious natural flavour for food and beverage products.
