

FEATURES

- ✓ KETO diet suitable
- ✓ Low Carb diet suitable
- ✓ Vegan friendly
- ✓ Source of sustained energy
- ✓ Dispersible in cold water
- ✓ Derived from 100% Coconut Oil
- ✓ Certified Organic

PRODUCT CATEGORIES

- ✓ Energy
- ✓ Weight Management

Organic Coconut MCT Oil Powder is a fast acting energy source for the body. Medium Chain Triglyceride (MCT) can be rapidly metabolised into ketones, delivering the energy required throughout the body. Research has shown that MCT can sustain energy levels and improve cognition and mental clarity. The Organic Coconut MCT Oil powder contains minimum 70% MCT, making it a great way to support a low carb diet during an active Keto lifestyle. It is ideal as a standalone ingredient or blended with additional plant based proteins.

SPECIFICATIONS

Chemical & Physical

Particle Size	90% through 60 mesh
Loss on Drying	≤ 5%
Total Fat Content	≥ 70%
Caprylic Acid (C8)	≥ 50%
Capric Acid (C10)	≥ 35%

Microbiological

Total Plate Count	≤ 1,000cfu/g
Yeast & Mould	≤ 100 cfu/g
Escherichia coli	Absent/10g
Salmonella spp	Absent/25g
Staphylococcus aureus	Absent/10g

OTHER CHARACTERISTICS

Appearance	White to off white free flowing powder
Taste	Neutral
Certification	Kosher, Halal, ACO, Organic, ISO 9001, ISO 22000
Allergens	Free from input of GMO, dairy, soy, gluten
Safety	Food Grade, suitable for human consumption
Shelf Life	24 months in original sealed bag, stored in cool & dry place <25°C
Packaging	2 x 10kg aluminium foil bag in cardboard carton

TYPICAL DATA (All Figures Based on Independent Analysis)

Labelling

Coconut MCT Oil Powder, MCT Oil Powder

Nutritional Labelling per 100g

Energy	2808kJ
Proteins (on dry basis)	0.8g
Fats	total – 70g
