Organic Sacha Inchi is an ACO certified Wholefood Protein Powder, derived from the seeds of Sacha Inchi that is grown natively in the Peruvian Amazon region. Sacha Inchi seeds have been consumed by the indigenous communities for centuries for optimal health support. Our Organic Sacha Inchi Wholefood Protein Powder contains the full-spectrum of all the essential amino acids, as well dietary fibre, omegas and minerals to form a complete nutritional profile. It has a subtle nut-like taste, can be used as standalone protein product, or as a great addition to other plant-sourced protein in any food or beverage product.
